TAKENAKA

MADE IN JAPAN

Reuse and Reduce Plastic Consumption.

By reducing waste and using more eco-friendly reusable containers made from recycled PET bottles, we can continue looking toward future. Our long lasting, durable bento boxes are made so that you can use them again and again.

Let your Colors Shine.

Takenaka offers a wide array of bright, bold, beautiful bento boxes in many different colors and expressions. We encourage you to choose the shade that brings out the best in YOU, and to always let your true colors shine through. Shine bright, shine bold, and find your own color.

Eat food. Eat good food.

We support local markets, home cooked meals, and packing all the good stuff inside of your bento box. We hope you will find both health and happiness in the contents of your box, and allow Takenaka to be your guide to goodness.

TAKENAKA BENTO BOX Story

Thoughtfully designed, sustainably created.

Established in 1925, Japan. TAKENAKA Bento designs thoughtful, durably made, reusable containers with inspiration drawn from our Japanese roots. Eco-friendly and sustainable, our stylish bento boxes inspire healthy living and creativity in your day to day life.
